

PROJECT PROFILE:

**Marquette
University
Jesuit Residence**

2015

LOCATION:

Milwaukee, Wisconsin

GENERAL CONTRACTOR:

KBS Construction Company

SIZE OF PLUMBING CONTRACT:

\$399,595

A new environmentally friendly, on-campus residence for Marquette University's community of 44 Jesuit priests. The new residence will reflect the Jesuits' contemplative way of life and communal approach to daily living and will include a chapel at its center, along with additional worship and meeting spaces.

The residence will emphasize the Jesuit commitment to higher education, will be LEED Green and will remain at the center of campus, underscoring the university's identity and tradition as a Catholic, Jesuit institution
