Horizon Village: A five-story, 340-bed environmentally friendly residence hall, located in the heart of the campus at the University of Wisconsin Oshkosh is the first of its kind on campus. It includes 2 & 4 bedroom suites, shared living rooms, kitchenettes, private full & half bathrooms and storage in each suite.

The residence hall was designed to meet platinum LEED standards and featured many green elements: such as; photovoltaic cells for hot water heating, a geothermal ground source heat pump for heating and cooling.
