

ERICKSON STRONG SCHOLARSHIP – TERMS, CONDITIONS & APPLICATION

The Erickson Strong Scholarship was created to encourage an individual who is early on their lean journey, with the ability to attend the Lean Construction Institute’s National Conference called LCI Congress. The Scholarship is also to honor the memory of Mark Erickson, and his commitment to educational and professional growth within the Lean Construction Institute.

The following link contains the EricksonStrong Scholarship Announcement video which provides more information about Mark Erickson and this scholarship opportunity

<https://vimeo.com/738388458/be38e5ae3b> .

The Scholarship will be awarded based on response to questions below along with interest in Lean Construction through internship, project work, participation in a Milwaukee CoP or LCI national event. (While this is not a requirement, it is encouraged).

SCHOLARSHIP: (2) Scholarships of \$2,500 each for (2) people to attend 2023 LCI Congress Core Program session.

LCI CONFERENCE INFORMATION: LCI Congress this year is October 24-27 in Detroit, MI. The Core Program days are October 25 & 26. More information can be found at <https://licongress.org/2023/>
